**THE HISTORY OF
THE CHAIR OF FACULTY THERAPY**

The Chair of internal diseases of ASMI was organized at the therapeutic department of the regional clinical hospital in 1958-1959. Docent T.N. Efendiyev was appointed as the Head of the Chair. He was from Tashkent at that time there were five assistants at the chair.

In 1960-1961 academic year independently from the Chair of Internal diseases there was organized the Chair of faculty therapy. And docent G.M. Klayner was appointed as the Head of this chair. Docent of the chair PHD Boltaboyev A.B. experienced assistants Morozova O.G., Latipov S.A., Pulatov F.P., Abdurahmonova N.A., Turina K.Y., Karimova I. worked at the chair.

1968 PhD docent Morozova O.G. was appointed as the Head of the Chair. Then the staff of the Chair was increased and docents Klayner M.G., Omerov M.M., assistants Latipova S.A., Shamsiyeva M.A., Pulatov F.P., Murzakayev M.G., Rahmatullayeva D.A., Saydullayeva M.P., Hamidov A.A., Jabborov B.S., Dalimov H.P., Arutyunova E.L., PhD Gubaydullina F.G., Sobirova T.S., Gershoyg G.I. worked at the chair.

In 1972 the regional hospital became the base of the Chair again. That year young teachers Hujamberdiyev M.A. and Jalolov K.D. In 1972 Hujamberdiyev M.A. defended dissertation for the degree of candidate of medical sciences in Moscow. In 1974 the Chair began its activity at the 4th -5th therapeutic departments of ASMI clinical hospital.

Kleiner G.M.
assistant professor
1960-1968 head chair

Morozova O.G.
assistant professor
1968-1977 head chair

Murzakaev D.G.
assistant professor
1977-1984 head chair

In 1977 docent Morozova O.G. was retired , and docent Murzakayev M.G. was appointed as the Head of the chair. In those years the staff of the chair included docents Jalolov K.D., Jumaboyev T.Z., Yuldashev Z.U. and assistants Arutyunova E.L., Latipova S.A., Gershoyg J.I., Holmirzayev T.K., Sinitsina S.A., Kurzanov N.N., Latipova K.Yu., Ruychani Z. and Sattarova D.A. In 1978 PhD Jumaboyev T.Z., in 1979 PhD Hujamberdiyev M.A. became docents of the chair. In 1982 the name of the chair was changed and it became the chair of Internal diseases. In 1983 under the

leadership of Hujamberdiyev M.A. there was organized special laboratory for investigation of biogenic factors catecholamins (adrenalin, noradrenalin, dofamin) remnants of Catecholamins VMK, MAO enzymes, ferments.

The degree of investigation was at the same level of hormonal laboratory standards of Moscow. In 1984 docent Atahanov M.A. became the Head of the Chair. In 1985 docent Hujamberdiyev M.A. successfully defended dissertation for doctors degree in Moscow. And in the same year doctor of medical sciences, professor Hujamberdiyev M.A. was appointed as the Head of the Chair. In 1986 professor

М.А. Хужамбердиев
заведующий кафедрой, профессор

Hujamberdiyev M.A. was appointed the vice-rector of the Institute and Karimov M.K. was appointed as the Head of the Chair.
